Listing by Report

Heating and Cooling Appliances are listed under a service designated as *Listing by Report*. The description of these products or construction, and information concerning proper field assembly and/or installation are contained in the listing report. The PFS label on these products is evidence that the manufacturer is under contract with PFS for trademarking and follow-up inspection service. PFS is recognized by the *International Accreditation Service, Inc. (IAS)* as an ISO 17025 Testing Laboratory and as an ISO 17020 Inspection Agency for heating and gas appliances. ([www.iasonline.org](http://www.iasonline.org)). PFS is recognized by the *Standards Council of Canada (SCC)* as a certification body for heating and gas appliances ([www.scc.ca](http://www.scc.ca)).

For fireplace mantle installations, hearth extensions and floor protection see manufacturer's installation instructions.
