BUILDING COMPONENTS

Listing by BCAR

Building components are listed under a service designated as *Listing by Building Components Acceptance Report (BCAR)*. The description of product(s) or construction and information are referenced in the current BCAR. The PFS certification mark identified on the PFS stamp on the said product(s) is evidence that the manufacturer is under contract for trademarking and follow-up inspection service.

The building components are certified to a model building code standard and/or product standard(s).

Note: Where a superscript number 1, 2 or 3 (^{1,2,3}) appears after the client's listing in the following pages, please refer to Page 2 of the Table of Contents for a written explanation.
